Please call for other media types, media sizes or resolutions.

Gold

Kodak© Digital ICE Technologies Color Correction, Minor Dust and Scratch Removal, Sharpening, Red-Eye Reduction, Cropping and Alignment.

Silver

Scanned "as is" with no touch-ups.

Extra charges apply for major repairs or for significant alterations such as removing or adding a person or for torn up photos.

DVDs to complete the job are FREE. Extra DVD copies are \$10 each.

*Higher dpi scans take longer to scan and result in larger file sizes.
One 4x6 photo scanned at 4800 dpi takes 20 minutes to scan and creates a 1.4Gb file!*
